The Board of Directors and residents of **Wilton Commons** is inviting the community to an open house to learn about the next phase of affordable senior housing.

Wilton Commons Congregate is the second and final stage of the Wilton Commons, a 62-year and older affordable senior housing complex offering both **50 independent living** apartments and **23 congregate apartments**. Apartment rents are based on income levels and the percentage of the area mean income.

Wilton Commons Congregate will be hosting an open house on **Sunday, Nov. 13** from **2-4 p.m.**. Congregate living differs from independent living in that congregare residents receive a full hot meal each day at noon and light housekeeping for their apartment. The congregare apartments are the same size and design as those in independent living while addressing different living needs. The congregare section has 24 hour security for its resident area.
