

Connecticut Housing Partners Receives the 2019 Best of Trumbull Award

Connecticut Housing Partners has been selected for the 2019 Best of Trumbull Award in the Non-Profit Affordable Housing Developer category by the Trumbull Award Program. Each year, the Trumbull Award Program identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies and organizations that enhance the positive image of small business through service to their customers and the community. These exceptional companies/organizations help make the Trumbull area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2019 Trumbull Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Trumbull Award Program and data provided by third parties.

The Trumbull Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Trumbull area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value. The Trumbull Award Program was established to recognize the best of local businesses in our community. They work exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. The mission of the Trumbull Awards Program is to recognize the small business community's contributions to the local economy.

Displaying this award will provide many benefits to Connecticut Housing Partners. For CHP, there will be a strategic value by being recognized with this business award. The award will also be used as a sales tool for marketing materials, by mentioning the receipt of this prestigious award. This award will also provide free publicity by validating the work CHP does in the community and in the region. We have been given the crystal award (as shown here) which sits in the conference room and a plaque that is hanging in the front lobby, both for visitors of CHP to see.
