Connecticut Housing Partners Receives Best of Affordable Housing Award for Fourth Year in a Row

March 23, 2022 — Connecticut Housing Partners, headquartered in Trumbull, CT and operating throughout Fairfield County, has been selected for the 2022 Best of Trumbull Award in the Non-Profit Affordable Housing Developer category. This is the fourth year in a row that CHP has received this award! Each year, the Award Program identifies companies that they believe have achieved exceptional marketing success in their community.

CHP has been a champion of affordable housing in Fairfield County for more than 30 years and, in recent years, has extended those efforts into more areas of Connecticut. This “Best of Affordable Housing” Award is recognition of the important work CHP does.

CHP CEO Renée Dobos said, “we’re honored to receive this prestigious award for the fourth year in a row. We are facing a housing crisis in Connecticut and our work is very important and impactful as providers of affordable housing. Our properties improve the quality of life of low-income residents by providing them with better health, adequate jobs and financial stability.”

“We are so proud to continue to be recognized,” she adds. “We’re also proud of our properties, our residents, our staff and all that we achieve. We want to be the gold standard for affordable housing. Currently, there is a shortage of 88,000 units in Connecticut and having an affordable stable home lends itself to stabilize food resources, educational resources and so much more! Become a Champion for Affordable Housing! Join us at CTHousingPartners.org and make a donation to continue the fight!”

Winners of the ‘Best of’ awards are determined based on the information gathered both internally by the Award Program and data provided by third parties. The Award Program is an annual event honoring the achievements and accomplishments of local businesses. Recognition is given to those companies that have shown the ability to generate competitive advantages and long-term value.

“We Build and Transform Lives.”
