Processing of Pre-Application for the Waitlist

Upon receipt of this application, Management will conduct an initial determination for income eligibility for the property you selected. If the household income qualifies, your name will be added to a waitlist.

As your name nears the top of the waitlist for the property you selected, CT Housing Partners will determine final eligibility. Management will verify household information, income and assets and conduct a credit, rental and criminal background check during the final screening process for occupancy.

I understand that this pre-application is not an offer of an apartment. I certify that my household is income eligible under current program income limits and the information contained in this application is true and complete under pains and penalty of perjury. I agree to authorize the CT Housing Partners to make inquiries to verify the information I have provided on this application. I understand that it is my responsibility to inform the CT Housing Partners of any change in address or in household composition in writing.
